

Gillamoor CE Primary School

UNIVERSITY OF HULL CHILDREN'S UNIVERSITY

Name of Child

We are asking parents to complete the record of learning beyond school hours below for your child and return it to school **with your child's passport on Monday 5 February**. This should be completed in addition to the passport. This is so we have a record of hours completed in the event of any passport being lost or mislaid.

Learning that has taken place from 13 December 2017 may qualify. For those who have not yet had their passport signed learning from 1 November 2017. Please include any after school clubs. School will add lunchtime club details from registers kept. We aim to return all passports with qualifying hours accredited as soon as possible.

In order to encourage children to take part in a range of activities the Children's University have grouped activities into four categories:

- A. Sports & Outdoor
- B. Arts and Cultural
- C. Academic
- D. Social, Community & Environment

Hours are awarded, up to a maximum 10 hours per activity, by Hull University for learning activities only, undertaken beyond usual lesson time. These should be learning hours only and not include transport time.
