Weekly Homework:	Reading	Spelling	Timetables / Number bonds	
Topic: Inventors/Christams	Learning Opportunities			
Literacy & Communication (Speaking and Listening, Language and Literacy) (MUST CHOOSE AT LESAST ONE OF THESE)	Write a letter to Father Christmas telling him how good you have been this year and asking him for some presents. Don't forget to say please! 	Write a shopping list of all the things you would need for a Christmas dinner. You can use bullet points or write a list. Remember to use commas if you are doing a list.	Find and read a poem about Christmas. Bring it to school to share with the class.	Be an illustrator! Read the Christmas story and then draw some pictures to go along with it.
Maths & Problem Solving (Maths, Thinking Skills, Logic, Problem solving) (MUST CHOOSE AT LEAST ONE OF THESE)	Use the cube net attached to this sheet to make a mini-present. You can decorate it any way you want! 	Design your own Christmas stocking. Try to use a repeating pattern with 2 D shapes. Make sure you can name the shapes you have used and discuss some of their properties.  	Design a Christmas tree with a symmetrical pattern. I am sure you can create on that is more colourful than the example given. Challenge- Can you draw one side of a Christmas tree and get someone else to complete it as a symmetrical pattern? How did they do? 	Can you create a set of Christmas word problems for the class to solve? For example- There were 10 mince pies. Father Christmas ate 6. How many are left? Write out 5 of these. Make sure you know the answers.
Science , History, Geography and RE (Exploring the world around us)	Find out about how Christmas is celebrated somewhere else in the world by doing some research.	Rumour has it that Father Christmas lives at the North Pole. Find out as much as you can about the North Pole and create an information sheet, Try and add pictures and a minimum of  three facts.	Father Christmas needs some help. He needs information on how to look after reindeer, Can you great an information poster on how to care for reindeer? 	Father Christmas needs a new woolly hat. Can you help him work out which material would be best? Investigate different materials and decide which is the best material. 
Creative Arts (Art, Design & Technology, Music, Drama and Dance)	Design a new sleigh for Father Christmas. What would it look like? How would it fly? What would power it?	Design a new outfit for Father Christmas to wear. Will you keep to his normal colour of red or will you choose a new colour for him to wear?	Make your own Christmas decoration. Challenge- Write a set of instructions telling others how to do it.	Read some words to a Christmas song. Then have a go at singing it! Can you teach it to the class?
<p>Please complete as many of the tasks as you feel you can. I ask that children complete one Literacy and one Numeracy activity. Return on the week beginning the 14th December 2015.If you have any question please come and ask.</p>
