Monday 25 June Sponsored walk. Sponsor form has gone out. Please help your child to get sponsors. Parents and grandparents are welcome to do the walk with us.

Homework: For this half term we are encouraging children to do different activities for their homework.

Children should still be reading at least 3 times a week and continuing to practise their times tables and number bonds. All Homework books and folders should be returned to school as soon as possible.

The junior creative homework this half - term will be posted on the newsletter each Friday and is to be in by the next Friday. This is so we can set homework that matches what the children have done in school each week.

This week, sketch a picture of your house and its surroundings. Tell me about your house: is it detached, semi-detached or a terrace? Is it a farm or a small-holding? What do you like best about your house? Is it the sort of house you would like to live in when you are older?

Infants; Attached is a homework sheet for Infants and also the curriculum letter for the second half of term. Children should pick something different from the sheet each week and bring their work into school to share on Monday 9 July.

Joint day with Slingsby School/lunch On Thursday 21 June we will be having a joint day with Slingsby School. The Infants will be staying here and the juniors will be going to Slingsby. The lunch menu is the same in both schools on this day. Due to the numbers we will need to know lunch preferences for the juniors in advance. Please complete the slip below for your child's lunch requirements for that day or e mail Mrs Hugill.

Questionnaires We are in the process of updating the School Self Evaluation Form, which is a lengthy document used as evidence of how we evaluate our provision. The form is updated on a yearly basis and part of the process is to request views of parents and children and decide how we can use these views for school improvement. The Governors also realise the importance of marketing our school for the future. We value your contributions in helping us achieve this. Please would you and your child/children complete the attached questionnaires and return them to school no later than Monday 25 June. We have sent a questionnaire for each child, as your responses may be different. If you would prefer to complete one form for 2 children please can you state this on the bottom of the questionnaire. The questionnaires are anonymous, but it would help me enormously if you would tick whether your child/children are in the Infant or Junior Class. I would also be grateful if you would discuss with me any queries or concerns so that we can use the information constructively.

As part of the OFSTED School inspection process inspectors will look at Parent View. This can be found at www.parentview.ofsted.gov.uk. It is easy to register and both parents can complete the short survey. It would help the school if you could spend a few minutes to complete the survey. As always if you have any concerns I am available to discuss issues with you.
