

Who do we already collaborate with?

**“It takes a village to raise a child.”**

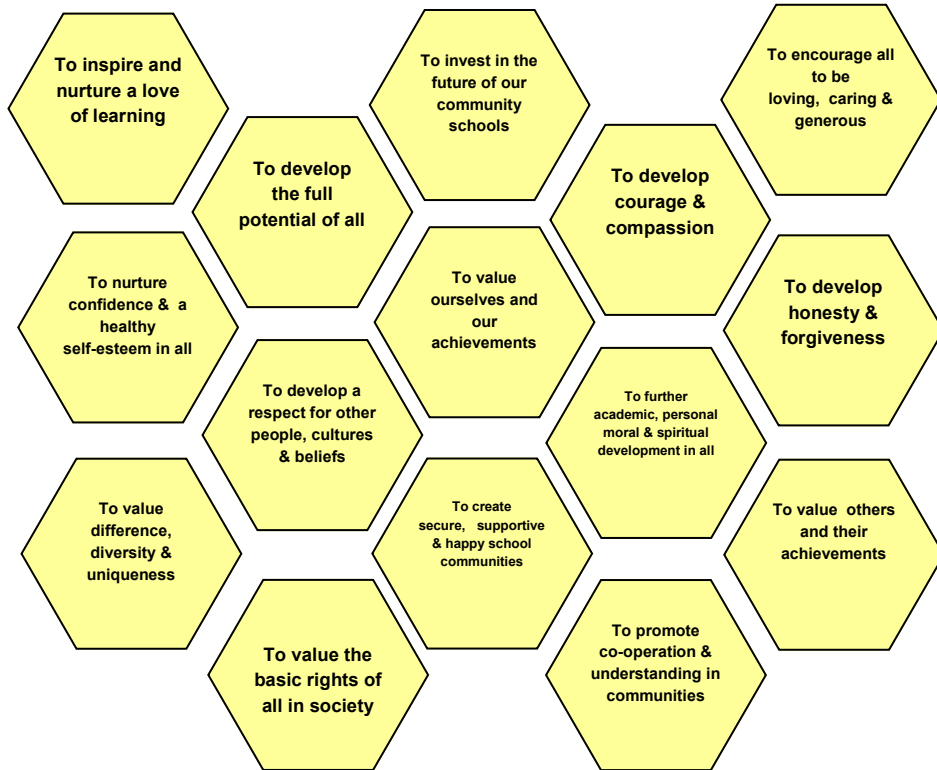

(African proverb)

# THE VILLAGE SCHOOL COMMUNITY

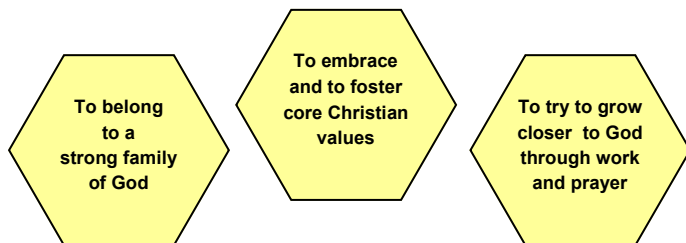

The governors of several village schools will not be consulting on the proposal to form a Federation with Ryedale School from September 2016. We have chosen to continue to develop our existing collaborative working within The Village School Community, whilst fostering and maintaining links with many other partners, including the proposed Ryedale Federation.

**What are our shared aims?**

**Our Faith School partners have additional aims.**
