English – Diary Entries: Planning

Re-read the Diary Entries Overview and think about the research you did yesterday. Start to plan your diary entries about a child working during the industrial revolution. Plan out what you are going to write about, remembering the chronological order. Just make simple notes or bullet points that will help you when you write out your diary entry. Planning is important so that you remember everything you want to write and so that your work flows. Think about what a child would write about, what their day entails and how they feel about it.

Parent Expectations

It is important for pupils to plan the easiest way for them and to make quick notes that will support their writing. This is the part where they gather their ideas so they can write easily.

Maths

Complete the White Rose Maths Year 4 Summer Term Week 1 Lesson 4 **Order Decimals** session with sheet. If you are unable to print out the sheet, please use the sheet on the screen and write the answers into your book.

Parents - Answers to the activity are downloadable below the activity on the webpage.

<https://whiterosemaths.com/homelearning/year-4/>

English – Diary Entries: Writing

Start writing your diary entries of a child during the industrial revolution. Remember to use your plan and everything that you have learnt over the last couple of weeks. Also, don't forget punctuation!

Parent Expectations

Children should write correctly punctuated sentences with use of capital letters, full stops, exclamation marks, question marks and attempts at using commas. They should also attempt to use each skill in the Diary Writing Overview.

Friday 8th May 2020

Bank Holiday

Please see separate worksheet and booklet.
