**English – If you found a magic beanstalk where would it take you?**

Imagine you have woken up and there is a magic beanstalk in your garden!!! You make the brace decision to climb to the top. Where does it take you? Are you in a land where everything is edible? Are you in a land where animals can talk? Have you gone back in time to the time of the dinosaurs?

**Task-** Draw a picture of the land you find at the top of the beanstalk. (10 minutes maximum. You can colour it in at the end). Use your picture to help you write some descriptive sentences about your land. Tell me all about how it looks, smells, feels, and even tastes.

**Example-**

At the top of the beanstalk I found an amazing candy land. I began to walk around and all I could smell was a delicious sweet smell. I could see sweets hanging in the trees and growing on top of flowers. I could see a chocolate waterfall. I took a deep breath and I could smell the most delicious smell of sweet, hot doughnuts.

Refer to the writing checklist for expectation.

**Phonics** -Go onto Discovery Education and type in Phonics. Start with Phase 5 Sal's Phonics and the 'oo' (u) video and then complete one of the activities.
