English- To write out a new ending for Jack and the Beanstalk

Look back over and re-read your plan for a different ending to the story. Today you are going to add in detail and make your ending so much better than the original.

Remember you are not going to just copy out your plan, you are going to add so much more detail to it.

Example-

Plan- Jack found a golden palace at the top of the beanstalk.

Story- As Jack pulled himself up onto the cloud, he was blinded by a bright light. Once he covered his eyes, he could see a beautiful, glistening, golden palace in the distance. Jack knew he had to go and look inside and began to follow the multicoloured road that led to the door.

-It doesn't all have to be finished today as there is time in tomorrow's session.

-Remember to look at the writing checklist to ensure your writing has all those things in it.

Phonics - Go onto Discovery Education and type in Phonics. Start with Phase 5 Sal's Phonics and the 'oo' (u) video and then complete one of the activities.
