Task 2- Complete the TT Rockstar's sheet Week 11 session 3.

English/RE- The Good Samaritan

Read the story of 'The Good Samaritan' (attached in a PowerPoint). This story is all about helping and caring for people even if we do not know them. We should try and look after everyone in this world and treat others how we would like to be treated.

Task—In your book or on paper, write a letter to the 'Good Samaritan' as if you are the man who he helped. Think carefully about what you might say. Imagine how he must feel and think about what he might want to thank him for.

If you are struggling to get started, have a look at the example below.

Dear Good Samaritan,

I am writing to you to say a thank you for helping me after I was robbed last week. I am so grateful that you stopped to help me as so many people kept walking on by. I was praying to God that someone would help me.
