

The Arts and Technology

Pupils particularly enjoy making a variety of art and technology works for the Fadmoor and Gillamoor show which takes place every August and providing art work for Kirkbymoorside show in September.

Art and Design

At Gillamoor CE Primary the children take inspiration from artists from the past and cultures studied in our topics. They have the opportunity to work with a wide range of media including: clay, paint, pastels and mod roc. We occasionally have visiting local artists in when the pupils have the opportunity to observe and work with specialists.

Design and Technology.

At Gillamoor CE Primary our pupils have the opportunity to work with a wide range of materials on exciting projects each year. These include: textiles, wooden structures, ceramics and mechanisms.

Music

We follow the National curriculum for Music using a range of resources including music with technology. We enhance this further by providing a weekly singing assembly.

Additional Music lessons

We currently have 2 visiting peripatetic music teachers who visit school weekly. One to one, or small group lessons can be arranged for any instrument. Currently we have pupils learning clarinet, trumpet, saxophone and cornet.

Please contact the school regarding the cost of these lessons.

Music Activities

Pupils from Gillamoor join local schools at Welburn hall for their annual Christmas 'Big Sing'

Pupils also take part in other local musical activities. These have included
