

Wednesday 3rd June 2020

Maths – Addition within 20

As a starter count forwards and backwards to 20. Write a number between 0 and 20 on a piece of paper. Can your child say the number? Repeat a couple of times with different numbers.

This week the focus is on addition. Please complete as much of the attached sheet as you can. Encourage your child to count accurately with good 1 to 1 correspondence.

English – Room on the Broom

Dragons!

Today you are going to draw a dragon of your own and create a fact file about him or her.

You need to include- **Red is an example.**

Name- **Firecracker**

Age- **420**

Favourite food- **Firecracker loves to eat sausages and prines. She likes chocolate cake too.**

Home- **Firecracker lives in a cave.**

Attached is a fact file template but if cannot print it out then just create your own.

Again, refer to the writing checklist to see expectations.

Phonics - Go onto Discovery Education and type in Phonics. Start with Phase 3 Scully's Phonics and the ee video and then complete one of the activities.

Thursday 4th June 2020

Maths- Today we are using a number line to aid addition. Encourage your child to add by counting on. Start by counting forwards and backwards to 20. Ensure that your child is confident and accurate with this.

Task- Please complete the first sheet of the attached document.

English – If you had a magic broomstick where would it take you?

If you could go anywhere in the world or even out of this world where would it be? Talk together and decide on somewhere you would like to go on your broomstick. It could be somewhere you have been on holiday; it could be your grandparents house, or it could even be the moon!!

Task- Draw a picture of where you want to go on your broomstick and write some sentences about it. (Parents- Sentences can be simple but refer to writing checklist to give support.)

Phonics - Go onto Discovery Education and type in Phonics. Start with Phase 3 Scully's Phonics and the 'igh' video and then complete one of the activities

Friday 5th June 2020

Maths- We are continuing to focus on addition within 20. Again, we will be using a number line to support counting on to add.

As a starter count forwards and backwards to 20. After this the adult counts to 20 but misses out a number, you could make a noise instead. Can your child identify which number was missing? Repeat a couple of times then swap roles.

Task- Complete the second sheet in the attached document.

English- Rhyming words

Today we are going to refresh our memories on rhyming words. Talk about how rhyming words are words that sound the same and have the same sounds in them.

Task- Log in to Discovery Espresso and search rhyming game or follow the link below and complete the rhyming word game.

https://central.espresso.co.uk/espresso/primary_uk/standalone/activity_html/item525978/index.html?referrer=https%3A%2F%2Fcentral.espresso.co.uk%2Fespresso%2Fmodules%2Fsearch%2Findex.html%3Fsource%3Despresso-home-mixed-topnav-search&bgcolor=ffffff

Phonics - Go onto Discovery Education and type in Phonics. Start with Phase 3 Scully's Phonics and the 'oa' video and then complete one of the activities
