Maths – 1 more and 1 less

Practice counting forwards and backwards to 30. With your child, say a number e.g. 15 ask them what number is 1 more? 16. Return to 15 and ask what would be 1 less? 14. If your child is finding this tricky please find attached a number line for support with this.

Task- Complete the 1 more 1 less sheet attached. If you cannot print it out, use it as a guide to complete it on paper.

English- Design a new broom

Today you are going to design a new broom stick for the witch. Think carefully about what I might have. Will it have rocket boosters? A comfy seat for the witch and the cat? A wand holder?

Task- Draw a new broom stick for the witch and label it. If you can write 2 to 3 sentences about it.

Phonics- Go onto Discovery Education and start Phase 3 Polly's phonics. Begin by watching the 'oo' short video and complete one of the activities.

Tuesday 9th June 2020

Maths- 1 more and 1 less

Today we are continuing with 1 more and 1 less.

Revisit counting forwards and backwards to 30 and working on 1 more and 1 less than a given number.

Task- Complete the attached worksheet.

English- Potion making

Today I want you to think of potions you would like to make and what they would do. Will it be a potion to make you fly? Will it be a potion to make you invisible? Could it be a potion that turns you into a giant? Or Could it be a potion that shrinks you to the size of an ant? Will it turn someone into a toad? Come up with as many ideas as you can.

Task- Fill in the mind map with your potion ideas. Try and fill in all the boxes. Think carefully about what they could do.

Phonics- Go onto Discovery Education and start Phase 3 Polly's phonics. Begin by watching the 'oo' long video and complete one of the activities.
