Home Sports day!!!!!!

Today I want you to come up with a new event for Sports day. You can use anything you have at home to make your event.

Take some photos of you doing the event. Once you have done that write up an instruction sheet for how to complete it.

Give your event a name, write a list of what you would need and then write a set on instructions telling us how to do it. Or instead you could always make a short video to show us your event and explain it as you go round.

It would be great to share these on the website so that others can have a go at your event.

Maths- Complete the White Rose Maths

Year 2 Summer Term Week 10 Lesson 1- Measure mass in grams.

The worksheets are now attached to this email for you to complete.

If you are unable to print out the sheet, please use the sheet on the screen and write the answers into your book.

Parents- Answers to the activity on request.

Task 2- Complete the TT Rockstar's sheet Week 12 session 1.

Tuesday 14th July 2020

English- Summer Poetry-

Today I would like you to create a poem all about summer. Try and make an acrostic poem. If you can see if you can make some lines rhyme.

There is an example below to get you started-

Sun is shining

Umbrellas up in the garden

My family at the beach in the sand

My ice-cream is dripping in my hand

Everyone is happy at this time

Really love this summertime.

Maths- Complete the White Rose Maths

Year 2 Summer Term Week 10 Lesson 2- Measure mass in kilograms.

The worksheets are now attached to this email for you to complete.

If you are unable to print out the sheet, please use the sheet on the screen and write the answers into your book.

Parents- Answers to the activity on request.
