Task- Today you are going to write a character description about a witch. (See the attached sheet.) In the box at the top, draw your own picture of a witch (take no longer than 10 minutes on this). Now write some key adjectives in the 'key word' box to help you with your writing. You can choose whether your witch is nice or not. (For support there is a word mat to help you with adjective ideas attached.)

You are going to write 2 separate paragraphs to describe your witch. Your first paragraph is going to describe the witch's appearance- what she looks like. Your second paragraph is going to describe her personality- how she behaves and what she is like as a person e.g. kind, cruel.

Look at the writing checklist to see the expectations for your work.
