Maths- Complete the White Rose Maths

Year 2 Summer Term Week 5 Lesson 1-Multiplication sentences using the × symbol.

The worksheets are now attached to this email for you to complete but the videos are still on the webpage.

If you are unable to print out the sheet, please use the sheet on the screen and write the answers into your book.

Parents- Answers to the activity are downloadable below the activity on the webpage.

<https://whiterosemaths.com/homelearning/year-2/>

Task 2- Complete the TT Rockstar's sheet Week 7 session 1.

English- Design a new broom

Today I want you to design the witch a new broomstick. Think carefully about all the features it could have. Does it have a dragon alarm to warn off dragons? Or maybe it has a forcefield that protects it from dragon attacks? Be as inventive as you can.

Task- Once you have drawn out and labelled your design, write a paragraph tell me all about it in more detail. Try and give your broom a name...The Lightning Bolt.... The Storm Duster. I really want you to persuade me that your broom is the best so choose language that will make it sound amazing. If you are struggling to start, then 'borrow' one of my sentences to get you going.

For example-

The Lightning Bolt is the fastest broom in the world due its amazing power booster. This broom has an amazing seat which is super comfy for long journeys. This broom also gives any passengers a comfy seat, so they will not be complaining.

Refer to the writing check list for what is expected in your writing.

Phonics Go onto Discovery Education and type in Phonics. Start with Phase 5 Scully's Phonics and the 'c' (s) video and then complete one of the activities.

Maths- Complete the White Rose Maths

Year 2 Summer Term Week 5 Lesson 2- Use arrays.

The worksheets are now attached to this email for you to complete.

If you are unable to print out the sheet, please use the sheet on the screen and write the answers into your book.

Parents- Answers to the activity are downloadable below the activity on the webpage.

<https://whiterosemaths.com/homelearning/year-2/>

English- Today I want you to think of potions you would like to make and what they would do. Will it be a potion to make you fly? Will it be a potion to make you invisible? Could it be a potion that turns you into a giant? Or Could it be a potion that shrinks you to the size of an ant? Will it turn someone into a toad? Come up with as many ideas as you can, and I am sure they will be better than mine.

Task- Fill in the mind map with your potion ideas. Try and fill in all the boxes. Think carefully about what they could do.

Phonics Go onto Discovery Education and type in Phonics. Start with Phase 5 Scully's Phonics and the 'g' (j) video and then complete one of the activities.
