4th February 2020

Dear Parents

Wrap-Around Care to commence

I am writing to inform you of the exciting new extension to the provision we have for out of school care. As of 24th February (after half-term) we will be offering supervision for pupils until 5.30pm every week day. This will mean that our wrap-around care will now consist of;

- | | |
|---------------|---|
| 8.00am-8.45am | Breakfast Club which includes breakfast (cereal, toast, pancakes, drink etc.)
£3/session |
| 3.30pm-4.30pm | After school clubs (some free of charge, some at a small cost) |
| 4.30pm-5.30pm | After school provision which includes a snack and drink
£5/session |

Further details will follow including ParentPay details but in the first instance please could you complete the slip below and return it to school or email admin@gillamoore.n-yorks.sch.uk to express your interest at no obligation.

We hope that this will help parents with the age-old problems of collecting at the end of school and provide additional support especially for working parents.

With best wishes
