Well done to the following pupils for managing 100% attendance this term: Connor, Oliver J, Abi, Georgia, Olivia St, Chloe, Fern.

Performances: Well done to all the children for another year of great performances. 'Santa's on strike' and the Carol Service were both a great success. As always, the children sang beautifully and all performed exceedingly well. I'm sure everyone who was able to make it will agree all the children were a real credit to everyone. Thank you to all the staff for their work. **A reminder that any photographs taken at performances or church service, are only for you and your family and must NOT be put on Facebook or any other social media site. This is the same for any school event or activity.**

Taxis: Please remember to let your taxi driver know any changes to your child's morning and evening travel arrangements. Especially if your child is not travelling into school on the taxi but they require it home.

EYFS and Year 6 parents: please see attached letters regarding Height and weight checks which school received yesterday.

PE: Please help your child to have the correct PE kit in school as all pupils **MUST** change for PE. It is a legal requirement that children take part in PE lessons just like any other lessons. If your child is unable to take part in PE for any reason please send in a written note or e mail the school.

Emergency Closure: Should it be necessary to close the school I will call the taxi drivers, who will inform the families they pick up. For everyone else I will call the person at the top of the tree. The relevant contact numbers have been shared. BBC Radio York will also give out updates on the radio and their website. I will also try to have it put onto the school website.
