

Gillamoor CE Primary School Sports funding for 2015 - 2016

'The school is using the additional primary school physical education and sport funding successfully to improve the quality of physical education in the school by bringing in specialist coaches to take lessons, train staff and run activities. This has broadened the range of sporting activities offered. As a result, more pupils now take part in sporting activities and the school participates in a wider range of sports competitions. This is having a positive impact on pupils' physical well-being and healthy lifestyles.' OFSTED April 2015

The PE National Curriculum is made up of 6 elements: Dance, Games, Gymnastics, Swimming, Athletics and Outdoor/Adventurous activities. The only activity for which there is a specified target is swimming. 'In particular pupils should be taught to: swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water based situation.'

Budget allocation is £7,600.

Activity	Provision	Cost	Feedback/ Impact
Weekly PE lessons covering the range of the PE curriculum	PE coach leads the lesson alongside the class teacher for all areas of PE except swimming. Coach is an ex AST (Advanced Skills teacher) for PE. 14 weeks Autumn term 11 weeks Spring term	£1,875	<ul style="list-style-type: none"> <li>• Feedback from pupils they enjoy their lessons. They are engaged. Parental feedback is positive for PE lessons and after school sports club.</li> <li>• Ongoing CPD (continuous professional development) for teachers, who always work alongside and are therefore gaining from his expertise. Staff are also more confident to deliver lessons themselves when the need arises. (This is still very relevant due to changing staff)</li> <li>• AT has observed lessons to ensure of the required standard.</li> <li>• The lessons have also been observed as part of an LA monitoring review in June 2014 and OFSTED in April 2015.</li> <li>• 'The school is using the additional primary school physical education and sport funding successfully to improve the quality of physical education in the school by bringing in specialist coaches to take lessons, train staff and run activities. This has broadened the range of sporting activities offered. As a result, more pupils now take part in sporting activities and the school participates in a wider range of sports competitions. This is having a positive impact on pupils' physical well-being and healthy lifestyles.' OFSTED April 2015</li> <li>• As well as taking part in more sporting competitions with local schools we are also more successful in our final placing.</li> </ul>
