School News

We hope everyone had a lovely break and enjoyed the glorious sunshine. It is great to see everyone back in school for the summer term.

We had a very productive day on Monday firstly collaboratively working with the Governors on a review of our Vision and Values. Thank you to those parents who completed the online questionnaire as this contributed to the morning session. More details and an opportunity to input further are to follow after we have consulted with the children for their input.

We also spent time working on the latest research, successful methods of teaching spelling, and reviewing our own resources.

Our busy term begins

What a fantastic time everyone had at Duncombe Park on Wednesday with lots of exciting activities revolving

around sustainability, conservation and farming.

PLEASE NOTE

Change of Dates

Our Coastal Day has been moved to the 23 June as the tides were not in our favour! The sponsored walk will now be on the 21 July.
