School News

Well done everyone—we made it! We are so looking forward to having all pupils in school from Monday 8 March. You will all have received an email regarding full re-opening and what is required to ensure we continue to be a safe environment for everyone, please contact school if you have any questions/concerns. See you all on Monday.

Safety Outside School

Our children are so lucky to live in rural North Yorks., with its lack of traffic, but this does mean that their road sense is perhaps not what it could be; particularly after lockdown. Recently there have been a couple of close calls at pick up time. Please ensure that you come to the school gate in person to collect them.

Bikeability and Pedestrian Training

To help keep the children safe on the roads we have organised and fully funded Bikeability training for Y5 and 6 and Pedestrian training for all pupils. Bikeability sessions will take place on the 23 March for Y5 pupils and 24 March for Y6 pupils. Pupils will need to bring their bikes and helmets to school for the day. Pedestrian training will be on these days too.

Governor vacancies

We have 3 vacancies for Governors coming up; 2 parent and 1 other. Being part of the Governing Board means that you can have input into the strategic direction of our lovely school and share your skills, expertise and energy. If you are interested in finding out more please contact Mrs Hayes or click on this link; <https://www.governorsforschools.org.uk/app/uploads/2018/10/The-role-of-a-school-governor.pdf>

Please pass this on to friends and family too; not all governors have to be parents. Application packs are available by emailing the school office.
