

## Collective Worship Theme this half term = RESPONSIBILITY

Attendance this week is 99.04 %

### School News

It was wonderful to see the children enjoying our educational visit to Flamingoland this week. They were wonderful and so well behaved it made us all very proud to be part of the Gillamoor School community. The visit was to help consolidate their learning about animals from different perspectives: Predators, Prey and Adaptation in Juniors; Farms in Infants. Zoo Keeper, Kieren was very impressed with their amazing facts and shared a few more with them. Who knew that hippos secrete their own form of sunscreen!

We have been really impressed with the way the children have re-adapted to school life following such a tumultuous time in all our lives. Learning is taking place at pace and we are trying to fill not only academic but social and emotional gaps too.

I want to say a huge thank you to the staff for being so adaptable and resilient through this year. We have one half term left and aim to pack it full of exciting activities and learning so keep up the good work all! Also, a big thank you to the PTA for providing our pupils with so many extras; they are so fortunate to have your support.

### How can you help us?

- listen to your children read every night.
- Respond to emails and letters promptly
- Help your children to be independent by getting them to be prepared and responsible for their belongings.

### School Vision and Values

We are reviewing these and will be asking for your input so please keep an eye open for a separate email and complete the questionnaire.

28 May 2021
