

Collective Worship Theme this half term = RESPONSIBILITY

Attendance this week is 97.76%

School News

A week of all weathers but we have made the most of the sunshine when it has been there. Year 6 finally successfully completed their Bikeability Level 2 after a few hiccups along the way! Year 3 and Year 4 undertook some much needed Pedestrian Training which we hope will be remembered. Please try to remind your children of the need to take care on the roads.

Reading Challenge

Our Reading Challenge finished today and the children have clocked up a tremendous amount of reading. We look forward to receiving the sponsor money by the 14 May which will help us to replenish and update our library further.

School Educational Visits this term

We have lots of visits booked for this term in order to make up for children having missed out over the last year. To help with budgeting and administration for us all, we will be asking for one amount to cover all these visits. You will be receiving a letter with details and a permission slip to be returned by Tuesday 11 May.

Fallouts among pupils

One of the things we have noticed on the children's return to school has been a change in some pupils' behaviour towards each other. We have spoken with the children about this and have decided together that they are going to try to follow these;

1. Be kind to each other.
2. Think before you say something—how would you feel if this was said to you?
3. Ask adults to sort out problems rather than try yourself as this often makes things worse.

Please could you speak to your children about this and encourage them to do these things to ensure that everyone is treated in the way we all deserve.
