School News

Children and staff are looking forward to half term but we still have one more week with lots of exciting opportunities ahead of us after which we hope you all have a good rest. Some children are showing signs of being tired (it has been a long half term) so please help them with early nights to bed next week and lots of fresh fruit to keep the colds at bay. I know staff will be doing the same!

Covid

If your children display any of the Covid-19 symptoms, please DO NOT send them in to school and take a free PCR test as soon as possible. Please ensure you practise regular hand washing and hygiene at home as we are in school. If children begin to display symptoms in school we will contact you and ask you to collect them immediately and book a free PCR test.

Consultation Evenings 2 and 3 November

We sent home a Consultation letter earlier in the week with details. Please ensure you return your form as soon as possible. Our catering supplier will also be in school with samples for you to try and feedback on. Governors will also be represented on both evenings.

Children's University

We had a virtual re-launch and new children and Y3's have received their registration forms. The children should know all the details or you can find it on the CU website. We are hoping all of Y6 will graduate in the summer.

Following feedback, the menu has been adjusted. Sampling will be available on both Consultation Evenings. Your feedback is always welcomed. Children on packed lunches are always offered a taste from the lunch menu.
