School News

Welcome back to school for the last term of this academic year; it hardly seems possible. We have a very busy term ahead with lots of educational visits planned, sporting events, a KS2 play and transition events for Y6. These began with a Roman afternoon on Wednesday to kick off the KS2 theme

Welcome back to Miss Mitchell. Who is now in her final placement of her PGCE and will be working in the Infant class mostly.

Attendance

Now that we are back to a more normal way of life with reduced Covid cases and restrictions, it is crucial that children attend school. The expected percentage attendance is 95%. If your child's attendance drops below 90% you will now be contacted to help support to improve this.
