## Bewerley Park Residential

Year 4 and Year 5 pupils who expressed an interest in the Bewerley Park residential have been given a letter with further information, dates and confirmation. Please can these be returned to school and the deposit paid via Parentpay by the 25 March.

## Mrs Paxton

Sadly, Mrs Paxton will be leaving us next week. A huge thank you to her for running breakfast and after school clubs for us. We will all miss her.

We have held interviews this week and we are delighted Mrs Robinson will be joining us and will be supervising breakfast club.

## Plastic bottles

If anyone has any two litre plastic bottles they no longer require, we would appreciate them in school for science.

## News from our Clubs

**All clubs, except breakfast club, finish on Friday 1 April.**

## Uniform

Alex has mislaid his school sweatshirt and hoodie which are named.

Please can you check uniform to make sure they haven't been mixed up with your childs.

## School lunches

Our exciting, new menus start after Easter. Attached is the menu and order form which should be returned to school by the 30 March, to enable Mrs Thackerey to order the correct amount of provisions.

## Coronavirus—How long to stay at home

If you have COVID-19, you should stay at home while you're infectious to others. This can be for up to 10 days from when your symptoms start. Many people will no longer be infectious to others after 5 days. You can do a rapid lateral flow test from 5 days after your symptoms started (or the day you had the test if you do not have symptoms) and another the next day. If both tests are negative and you do not have a high temperature, you're less likely to pass COVID-19 to others and you can go back to your normal routine. If your test result is positive on day 5, you can carry on doing rapid lateral flow tests every day until you get 2 negative test results in a row.
