School News

This term is extremely busy with visits, sports, events, a play, leavers events etc. Please can you ensure that you reply quickly to any requests for permission, transport etc and pay promptly as chasing non-responses is taking up a great deal of time.

Attendance

Now that we are back to a more normal way of life with reduced Covid cases and restrictions, it is crucial that children attend school. The expected percentage attendance is 95%. If your child's attendance drops below 90% you will now be contacted to help support to improve this.

Whole school educational visit to The Deep 17 May

Thank you to the parents who have sent back their permission slip and paid their voluntary contribution via parentpay. **There are still some forms outstanding which must be returned by Monday to enable your child to go to The Deep.** It is an early start (leave school at 8.00 am) so please liaise with taxis.
