School News

The Friends of Gillamoor school met for their AGM this week and we want to thank them for all their hard work and dedication to raising funds that subsidise the transport to swimming and educational visits as well as paying for the little extras that really help in school. We couldn't offer these without their support so please support their events.

School Transport

North Yorkshire County Council Transport Department have issued the following regarding pupils who use school transport. "Pupils should be ready 5 minutes before their collection time and a driver should only wait 5 minutes after the agreed collection time and then tell the parent they are leaving." This enables pupils to be on time for school.
