School News

It's good to see a higher attendance this week now that everyone is over the 'bugs'. Our Vision for school includes lots of opportunities to broaden children's experiences and minds. These include visits and visitors. We look for best value for money for fees and travel as best we can but prices are rising. Please try to pay in full or at least make a contribution to these events in order that we can keep offering them.

New library

We are delighted with the work that took place to transform the back classroom into a wonderful new learning, library and intervention space. Watch this space for the official opening. Photos at the end of the newsletter.

Parent teacher consultation

Please ensure that your forms have been completed and returned to school. We will then inform you of your time slot(s). This will also be an opportunity to visit our new library.

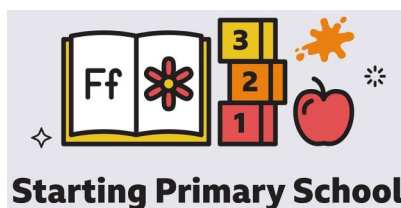

Ghana School Connection request

We have had a request for old mobile phones, laptops, iPads etc for students to use for their studies. Please send these in to school when you can. Any data will be wiped by professionals before they are sent out. Please drop them into school.
