### School News

The Y2 children have been taking their SATs this week and we have been as equally impressed with their determination and resilience as we were last week with our Y6 pupils. Well done everyone. As part of our Keeping Safe Week children had online assemblies from the NSPCC and an NSPCC workshop for Y5/6. Our PCSO Luke came to speak to all classes too. We hope the children learnt lots and took home the message of THINK before you choose to do anything.

### School Governor Vacancies

Every LA school is required to have a board of governors who help with the strategic direction of school and support the headteacher to monitor school in many ways from attendance to attainment, finance to funding, websites to workers and much more. No experience is necessary. Do you friend or family that could help if you aren't able to? Get in touch for a no obligation chat or take a look at here for more information; [Become a school governor - Inspiring Governance](#). Thank you

### PE and uniform

Some children are still coming to school in their PE kit on Mondays, please remember that they should wear their **usual school uniform** and bring their PE kit with them to get changed into. PE kits should be left in school as may be required during the week.

### Summer term

Although the weather is unpredictable, we do try to be outside as much as possible. We are hoping the sun with shine! Please can pupils have sun hats and suncream in school. Suncream should be applied at home before school and then brought to school in a container pupils can use, if necessary.

### Ryedale Primary Choir

Flyer attached. New members needed for the exciting choir for children aged 7 to 11 across Ryedale. The free music sessions allow children to meet and sing with professional musicians, and perform each year as part of the prestigious Ryedale Festival.

### Clubs

No Science Club on Friday 26 May. Please contact school if you require child care due to work commitments.
