

As designers and artists, we will-

- Explore portraits starting with ourselves and expanding to animal portraits.
- Research famous portrait artists from the past and present.
- Develop our painting and mixed media skills.
- Explore textiles and design and create stuffed toy animals.

As geographers we will-

- Revise locating our country, county and district on maps.
- Discover our coastline and how we use it.
- Explore the wildlife on the North Yorkshire Coast
- Consider the need for conservation of our coasts and how we can do this.

As scientists we will-

- Discover the human body and how different parts function.
- Compare the human body to bodies of other animals.
- Learn about the human and other hearts and how they work.
- Discover the role of nutrients.

Visits and Visitors

Askham Bryan Wildlife Park tbc
Seaside trip tbc
Year 6 treat to Wykeham Lakes tbc

As mathematicians we will-

- Follow the national curriculum
- Focus on shape, space and measure.
- Grow confident in problem solving and reasoning.

Owls Summer Term 1

Coast: Predator vs. Prey
How do different bodies work?

As readers we will-

- Read about the different species of animals in non-fiction texts.
- Read sea and animal related texts as a whole class.
- Increase our reading stamina by reading every day.

As athletes we will-

- Learn and develop skills in athletics.
- Take active part in weekly PE sessions developing our core skills and balance.

As historians we will-

- Explore how our coast has changed for the animals on it.
- Use the past to predict what could happen in the future and plan around that.

As authors we will-

- Write information boards about wildlife.
- Use non-fiction texts to generate ideas.
- Create poetry about the wildlife we explore.
- We will also be focussing on handwriting and letter formation.

As theologians and anthropologists, we will-

- In RE we will ask ourselves why some people believe in a God and others do not?
- Explore and compare religious and non-religious beliefs.
- In PSICHE we will look at mental wellbeing.
- Learn about money and how to use it.

As musicians we will-

- Develop our knowledge of pop music and how chords are used in composition.
- Continue to develop our performance skills.

As linguists we will -

- Learn about the French speaking world and explore key French vocabulary.

As ICT technicians we will-

- Learn about handling and presenting data.
- Complete a data handling project about the best chips in Scarborough.
- Learn about e-safety and the importance of knowing what you are doing online.
