Statement of intent

At Gillamoor CE Primary School, we welcome all pupils, and places at the school are offered in an open, fair, clear and objective manner. We work to the principle that any parent accessing our admissions arrangements will be able to understand easily how places for that school will be allocated, and will not be alienated or discouraged from applying based on admissions criteria.

The table below sets out who the LA is and other responsible bodies in our school.

Type of school	Who is the LA?	Who deals with complaints about arrangements?	Who is responsible for arranging/providing for an appeal against refusal of a place at the school?

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Equality Act 2010
- Human Rights Act 1998
- School Standards and Framework Act 1998
- DfE (2021) 'School Admissions Code'
- DfE (2022) 'School Admission Appeals Code'

This policy operates in conjunction with the following school policies:

- Pupil Equality, Equity, Diversity and Inclusion Policy
- Data Protection Policy
- Special Educational Needs and Disabilities (SEND) Policy
- SEN Information Report

2. Admissions arrangements

The published admissions number (PAN)

The number of places available is determined by the capacity of the school. The PAN for new Reception pupils is **8**.

The LA will consult with the governing board where it proposes to increase, decrease or keep the same PAN. Where the LA has set a PAN lower than the school's wishes, the school will submit an objection to the Schools Adjudicator, where appropriate.

The governing board will communicate with the LA where the admission of additional children would prejudice the provision of efficient education or efficient use of resources.

Oversubscription criteria

The LA is responsible for determining admissions arrangements for the school. The oversubscription criteria are reasonable, clear, objective, procedurally fair, and compliant with all relevant legislation, including equalities legislation. This means that the oversubscription criteria will not unfairly disadvantage, whether directly or indirectly, any child based on a protected characteristic or economic disadvantage.

In the event that there are more applicants than available places, the LA has applied the following oversubscription criteria, in order of priority given:

- LAC and previously LAC, including those who have been in state care outside of England and ceased to be in state care as a result of being adopted
- Pupils considered by the Authority to have exceptional social or medical grounds for admission.
- Pupils living in the normal catchment area of the school who express it as their first preference.

- Pupils living within the normal catchment area of the school who have expressed a preference for that school, but whose first preference for a school placement elsewhere has not been met, and where placement at an alternative school would prejudice the provision of efficient education or the efficient use of resources.
- Children with siblings currently at the school, or whose siblings have left the school within the last six years.
- Children of staff at the school.
- Pupils from outside the normal area of the school and having the nearest available walking route (this means a route along which a child accompanied as necessary, can walk with reasonable safety to school).

All pupils who have named the school in their EHC plan will be admitted.

Where two applications cannot otherwise be separated, the LA will follow a fair, clear and effective 'tie-breaker' procedure by allocating the place to the pupil who lives closest to school.

Catchment area

The catchment area is determined by North Yorkshire Council and can be accessed through their online interactive map.

(<https://maps.northyorks.gov.uk/connect/analyst/mobile/#/main?mapcfg=Schools>)

The school will accept pupils from outside the catchment area – oversubscription criteria will apply where applicable.

Siblings of pupils and children of staff

For the purpose of this policy, "sibling" is defined as any sibling related by blood or marriage and any fostered or adopted siblings.

Where oversubscribed, priority will be given to children whose siblings are currently at the school or who attended the school within the last six years.

Where oversubscribed, priority will be given to children for whom staff members have parental responsibility, where the staff member has been employed by the school for two or more years at the time at which the application was made, and/or where the member of staff has been recruited to fill a vacant post where there is a demonstrable skill shortage.

Equal opportunities

The LA will not establish admissions criteria that excludes individuals with a particular protected characteristic. The admissions criteria will not exclude a greater proportion of pupils with particular protected characteristics, unless the school can justify how this is a proportionate means of achieving a legitimate aim.

The admissions criteria will not discriminate against disabled applicants, unless the school can justify how this is a proportionate means of achieving a legitimate aim.

Admissions procedures

The school will offer open events and school visits to all potential applicants, irrespective of any protected characteristics. Where necessary, the school will make reasonable adjustments for disabled applicants or disabled parents.

The school may assess its ability to cater to the applicant's needs by:

- Inviting the applicant to attend the school for half a day.
- Visiting the applicant's current education provision.

3. Consultation, determination and publication

Consultation

The LA will consult with the governing board on any proposed changes to the admissions arrangements. Consultation will last for a minimum of six weeks and will take place between 1 October and 31 January in the determination year. The LA will consult with the governing board on admissions arrangements at least once every seven years, even if no changes have been made in that time.

Determination and publication of admissions arrangements

The school will publish a link to the LA's full proposed admission arrangements and the contact details of the individual responsible for admissions liaison on its website. The governing board will address any complaints about the proposed admissions arrangements to the School's Adjudicator.

Admission arrangements will be determined by 28 February in the determination year on an annual basis, even when no changes to the arrangements have been made.

A link to the finalised admission arrangements will also be published on the school website by 15 March in the determination year, and will continue to display them for the whole offer year.

A copy of the admission arrangements will be sent to the individual or body representing the school's religious character.

Any objections to the admission arrangements will be directed to the Schools Adjudicator by 15 May in the determination year.

4. Applications and offers

Applications

Parents will be provided with a common application form (CAF) where they will note their three preferred schools, along with a brief explanation, in rank order – the schools do not have to be located in the LA area where the parents live. Parents will provide LAs with the following information within the CAF:

- Their name and their child's name and date of birth
- Their and their child's address and proof of residence

The CAF will be submitted to the parents' LA. Parents are not guaranteed to have their preferences met. The LA will request supplementary information for the purpose of processing applications where necessary.

Offers

All offers will be made on National Offer Day, i.e. 16 April or the next working day, where this date falls on a weekend or bank holiday.

Where the school is oversubscribed, the LA will rank applications in accordance with its determined arrangements, and the qualifying scheme will ensure that only one offer will be made per child by the LA.

An offer will only be withdrawn if it has been made in error, a parent has not responded within 20 working days, or if the offer was made via a fraudulent or misleading application. Where an offer has not been responded to within the designated time frame, the LA will give the parent a further opportunity to respond and will explain that the offer will be withdrawn if they do not. If any application is found to be fraudulent after a child has started at the school in the first term of the new academic year, the school may withdraw the place. If the fraudulent application is found after this time, the pupil will not be removed.

The headteacher will assist the LA with deciding on which year group a child will enter. Once a decision has been reached, the child's parents will be informed in writing along with an explanation of how the decision was reached and any reasons why.

The school must admit all children who have an EHC plan where the school is named. Children with SEND who do not have an EHC plan will be treated equally to all other applicants in the admissions process. This includes children who may need extra support or reasonable adjustments to be made. The details of the school's SEND provision can be found in our Special Educational Needs and Disabilities (SEND) Policy and SEN Information Report.

5. In-year admissions

The school will follow the same process for in-year admissions as for admissions at the start of the academic year.

The school will publish a link to the LA's in-year admissions arrangements on the school website by 31 August each year.

Where the school has places available in--year, it will offer a place to every child who has applied for one without condition or use of oversubscription criteria, unless to do so would be to prejudice the efficient provision of education or use of resources.

The school will consider all such applications and if the year group applied for has space available, then a place will be offered. If a place is not available, then the child's parent can ask for their child's name to be added to the appropriate waiting list. As with admissions at the start of the academic year, parents whose applications are turned down are entitled to appeal through the process outlined below.

The school will ensure that parents can access a hard copy of the information from the LA about in-year applications upon request.

The school will provide the LA with details of the number of places available, or any supporting evidence, no later than two school days following the request of such information from the LA.

6. Waiting lists

For admissions at the start of the academic year, the school will operate a waiting list which is maintained until 31 December on year of entry. The list will set out the priority for places in the same order set out in the oversubscription criteria. When additional children are placed on the waiting list, the list will be re-ordered in line with the oversubscription criteria – no pupil will be prioritised based on when their name was added to the list.

Parents may request that their child is placed on the waiting list if they are not successful in receiving a place. Where a place becomes available, it will be offered to the parents of the child at the top of the list.

For in-year admissions, if there is a waiting list for that year, the child will be placed on a waiting list until a space becomes available, or the child finds a new school setting. The list will set out the priority for places in the same order as admissions at the start of the year – when a place becomes available, it will be offered to the parents of the child at the top of the list.

If a child on the waiting list is offered a position at the school, the parents will be notified by letter and will have the option of accepting or rejecting the place within 28 days.

7. Admissions appeals

In circumstances where a school place is refused, parents, and in some circumstances their children, will have the right to appeal against an LA's decision to refuse admission.

Where this is the case, the LA will establish an independent appeals panel to hear the appeal. The appeal panel will perform its judicial function in a transparent, accessible, independent and impartial manner, and operate according to principles of natural justice.

The LA and appeal panel will ensure that it acts in accordance with this Code, the School Admissions (Appeal Arrangements) (England) Regulations 2012, the School Admissions Code, other law relating to admissions, and relevant human rights and equalities legislation, for example, the Equality Act 2010.

8. Monitoring and review

This policy will be reviewed by the governing board on an annual basis. Any changes to this policy will be communicated to all staff and other interested parties.

The next scheduled review date for this policy is November 2026.
