#### School News

What a busy week it has been and next week will be even busier all full of Christmas cheer! Whilst we appreciate some traditional activities have not been able to happen we are sure the children have enjoyed the alternatives.

On Friday we will say goodbye to Mrs Smith as she leaves us to have her second baby. We wish her good luck and hope to be able to meet her new addition at some point.

This will be our last newsletter for the year. We hope you have enjoyed our weekly run down of events. If you have any ideas or comments on things we could include, please do get in touch.

# THUNK OF THE WEEK

(A thunk is a question that makes you think; it may or may not have a correct answer but gets the brain cells working!)

Are heros ever scared?

Thunks are great for family debates and developing critical thinking skills.
