

Gillamoor CE Primary School Sports funding for 2018 - 2019

'The school is using the additional primary school physical education and sport funding successfully to improve the quality of physical education in the school by bringing in specialist coaches to take lessons, train staff and run activities. This has broadened the range of sporting activities offered. As a result, more pupils now take part in sporting activities and the school participates in a wider range of sports competitions. This is having a positive impact on pupils' physical well-being and healthy lifestyles.' OFSTED April 2015

The PE National Curriculum is made up of 6 elements: Dance, Games, Gymnastics, Swimming, Athletics and Outdoor/Adventurous activities. The only activity for which there is a specified target is swimming. 'In particular pupils should be taught to: swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water based situations.'

Budget allocation is £16,280 for this academic year.

Overall impact for 2017/18

- We achieved the Silver School games mark for the second year running. Previous years we have achieved the Bronze. Silver is a real achievement for such a small school.
- Improved sporting achievements at cluster events. More pupils got through to next round. Won both Year 5/6 and Y3/4 Tennis at Ryedale cluster event. Both teams went through to the next round and Y5/6 team came second. Five pupils got through to next round of cross country.
- Every pupil in the school attended at least one sports club over the year.
- Year 6 pupils all left with much more than the minimum swimming expectation. One honours, 1 Gold and 2 silver.
- Forest schools gives different pupils a chance to shine and helps pupil's resilience by taking them out of their comfort zone.

Activity	Provision	Cost (approx)	Feedback/ Impact
Weekly PE lessons covering the range of the PE curriculum	PE coach leads the lesson alongside the class teacher for all areas of PE except swimming. Coach is and ex AST (Advanced Skills teacher) for PE.	£2,500	<ul style="list-style-type: none">• Feedback from pupils they enjoy their lessons. They are engaged. Parental feedback is positive for PE lessons and after school sports club.• Ongoing CPD (continuous professional development) for teachers, who always work alongside and are therefore gaining from his expertise. Staff are also more confident to deliver lessons themselves when the need arises. (This is still very relevant due to changing staff)

			<ul style="list-style-type: none"> • AT is regularly the additional teacher and also carries out a termly observations to ensure of the required standard. • The lessons have also been observed as part of an LA monitoring review in June 2014 and OFSTED in April 2015. • 'The school is using the additional primary school physical education and sport funding successfully to improve the quality of physical education in the school by bringing in specialist coaches to take lessons, train staff and run activities. This has broadened the range of sporting activities offered. As a result, more pupils now take part in sporting activities and the school participates in a wider range of sports competitions. This is having a positive impact on pupils' physical well-being and healthy lifestyles.' OFSTED April 2015 • As well as taking part in more sporting competitions with local schools we are also more successful in our final placing.
Weekly Forest schools	Hidden Horizons at Dalby Forest Different venue, different leader and Autumn term this year so pupils experience a different season, location and leader.	£1,600	<ul style="list-style-type: none"> • This was a new idea in summer 2016 to develop outdoor learning and using the environment. • Teachers working with a qualified forest schools adult. • Pupils were engaged, enjoyed the work and developed confidence and teamwork. • Adults could see the progress the pupils made with this work. • Helps develop pupils' resilience. • Pupils encouraged to work outside their comfort zone. • Pupils enjoy it, feedback from school survey. Pupils asked to do it again.
12 weeks specialist cricket coaching Chance to shine package	Community cricket coach 12 weeks summer term	£300	<ul style="list-style-type: none"> • This was a new idea in June 2016 which was very popular. • Children and staff benefited from this very specialist coach. • Children's cricketing ability has improved. As has their interest in many cases. See cricket surveys summer 2018.
