

Gillamoor CofE (VC) Primary School Catch Up Premium Funding Allocation Report

INTENT		IMPLEMENTATION		IMPACT
What do we want to do?	For whom?	How are we going to do it?	How much will it cost?	What will improve or change and how will we know?
Rigorously assess core subjects using standardised methods	Y1 – Y6	PUMA and PIRA assessments to be used throughout school Baseline September (Spring previous year) Autumn – November Spring – May Summer - July	£1000	<ul style="list-style-type: none"> Progress can be tracked over time Gaps in knowledge can be identified and acted upon Tracking system will reflect attainment and progress and high standards will be maintained
Develop a high-quality remote learning offer	Whole school	Discovery Education accounts for each teacher have been purchased with the highest level of access to ensure swift provision of remote learning resources when needed. This is supported by Oak National Academy (no cost)	£400	<ul style="list-style-type: none"> Provision of effective learning opportunities for children of all ages Independent activities to allow children to learn without overly relying on parental input Teacher workload reduced Parent survey demonstrates satisfaction
Strive to ensure oldest children meet their academic potential in core subjects	Y5/6	Splitting of Juniors each morning Additional 1:1 interventions for identified pupils in Year 5 and Year 6 Maths/Reading/SPAG to support those not on track for EXS or GDS	£? Tbc once other funding streams have been calculated	<ul style="list-style-type: none"> Smaller classes and only across 2 year groups mean more focussed sessions Progress will be reviewed in line with assessments to ensure correct focus is maintained
Support the emotional health and wellbeing of the children who have proportionately missed the most learning	Y3 - 6	Purchase of resources to support Nurture lessons and activities identified by Boxhall profile results.	£200	<ul style="list-style-type: none"> Children demonstrate higher levels of engagement Improvement in resilience Reduction in anxiety Playtime fallouts are reduced Teaching time can be spent teaching

Total funds allocated will be in the region of £3040 (£80 per pupil) – given in three tranches across the academic year.
