Sat 4 Feb, 10:00-12:00 ~ **T-Shirts**

Fashion and fit plain or second hand t-shirts by cutting and tying in a variety of ways before embellishing with stencils, tie-dye, beads or embroidery.

Sat 18 February, 10:00-12:00 ~ **Felting**

Wet felting is a simple method of creating fabric with just wool, soap, water and a lot of elbow grease! Come and try this fun technique to produce flat or 3D shapes, for use in your fashion and textile projects.

Sat 4 March, 10:00-12:00 ~ **Bags**

Customise a plain tote bag with slogans, patterns and images; using sharpies, fabric paint or heat-transfer foil. The possibilities are endless and you'll take away a personalised bag for life!

Sat 18 March, 10:00-12:00 ~ **Accessories**

Design and create eye-catching accessories using glow-in-the-dark beads, light reflective materials, LEDs and conductive thread.

PLUS, each week there will be a * **SWAPSHOP** *

so bring along unwanted clean clothes, accessories or art materials and exchange them for free!

Numbers are limited so please sign up early by emailing: ahhstudiocollective@gmail.com
